SYED BADESHAH MOHIUDDIN BARKATH

MERN STACK DEVELOPER

✉ badeshah786@gmail.com 📞 9573362314 📍 Hyderabad in LinkedIn 🔗 Portfolio

PROFESSIONAL SUMMARY

Aspiring web developer and final-year B.Tech CSE student with practical experience in full-stack development. Skilled in crafting responsive applications with HTML, CSS, JavaScript, Node.js, and Mongodb. Committed to developing user-friendly interfaces and efficient back-end systems.

Professional Experience

ReactJS Developer Intern, *A2K IT Solutions*   Hyderabad
- Designed and developed a dynamic sales invoice billing web application using React.js for the front end.
- Implemented CRUD operations for managing invoices, payments, inventory, and customer data, improving efficiency by 30%.
- Ensured security, scalability, and performance optimization through efficient coding, robust APIs, and database normalization.
- Integrated features like real-time updates, customizable templates, and detailed reporting to streamline business workflows.
- Collaborated with cross-functional teams to gather requirements, debug issues, and successfully deploy the application, achieving 25% faster delivery timelines.
